Regarding: city initiative file number CI-13-B, and meeting Council Chambers, 71 Main St. W., June 4, 2013

Thank you for informing us about this initiative. We are strongly in support of this initiative to modify the existing residential zoning. Increasing the front yard setback from 12 m to 25 m and restricting attached garages from protruding more than 3 m will have a significant benefit in preserving the value and character of this district.

Yours truly,
