Please send my comments to the Planning City Staff and the Clerk's Dept.

What I like: The parks to be put in.

I also like the existing "rural" feel of the area and do NOT want it changed.

What I don't like: Almost everything. There will be far too many homes/people in a small area.

The traffic in this area is already beginning to be too heavy. We will be losing the open fields behind us, all the trees, the quietness of the area.
