Subject: **Transportation Priorities and Investment for a Healthy Toronto**
– Item No. HL21.8

The Toronto Board of Health on April 29, 2013 adopted the following recommendations which are forwarded to you for information and/or action.

The Board of Health:

1. Urged the Premier of Ontario to consider the potential benefits to health and reduction of health inequities when selecting approaches to fund transportation infrastructure investments in the Greater Toronto and Hamilton Area.
2. Forwarded the report (April 26, 2013) from the Medical Officer of Health to the:
 - (a) Ontario Ministers of Finance, Transportation, Health and Long Term Care, and Community and Social Services, the President and Chief Executive Officer of Metrolinx, and the Chief Medical Officer of Health of Ontario;
 - (b) City Manager, Chief Planner and Executive Director of City Planning, General Manager of Transportation Services, and the Chief Executive Officer of the Toronto Transit Commission;
 - (c) Boards of Health of the City of Hamilton, and Regions of Durham, Halton, Peel, and York; and
 - (d) Toronto Board of Trade, Association of Local Public Health Agencies, United Way, Canadian Urban Transit Association, Pembina Institute, CivicAction, Martin Prosperity Institute, Ontario College of Family Physicians, Ontario Public Health Association, Wellesley Institute, Evergreen and Ontario Medical Association.
