Dear Chair and Members of the Planning Committee:

On behalf of the Hamilton-Wentworth Catholic District School Board, I am requesting the opportunity to appear as a delegation at your February 15, 2011 Committee Meeting. Accompanying as part of the delegation will be Mr Dave Morrissey, Controller of Plant and Mr Vince Ramelli, Manager of Planning, Statistics and Transportation.

For your information you will find attached correspondence we sent to Mr. T. Redmond (Director of Building and Licensing) April 11, 2005 and more recently June 23, 2010 to Mayor Eisenberger. As you will note this matter has been of urgency to our Board for a number of years.

We would very much appreciate the opportunity to present our views and discuss the matter with you

Yours very truly
