Subject: Glanbrook Animal Control Contract

Dear Brenda and Alex

Christine Crooks and myself will be requesting to speak for Michelle Bain the Glanbrook Animal Control Contractor tomorrow on the 17th. I know a waive the rules to speak will be needed and we will only use the allowed 5 minutes between the 2 of us. After 11 years of service to our Community I would think Committee would allow her to have the opportunity share her thoughts.

My suggested motion that I would ask Council Committee to Consider would be to. Extend the Glanbrook contract until another RFP can be sent out for the Rural Animal Control in the east end of Hamilton.

The reasoning will be presented but it does relate to the fact that there will be no \$75000 in savings as presented in the budget and that the service Contract fee is one of the best bargains and tax paying money savers this City has ever had.

See you soon
